8. The Board noted that of the 42 recommendations from previous years that had been outstanding up to the year ended 31 December 2016, 24 (57 per cent) were fully implemented and 18 (43 per cent) were under implementation. Details of the status of implementation of those recommendations are shown in annex I to the present report. While the Board acknowledges management efforts towards implementation of its recommendations, it considers that further efforts are needed to address the recommendations with greater emphasis on the recurring recommendations.
